"Obra de Amor" – Labor of Love

The church in Corquín decided to provide physical blessings to the poorest of the poor this Christmas season. First, we asked the members to make a list of those they knew and felt could really use this help. Next, the ladies made a list of the food and household items they thought should be included in the care packages. Throughout the entire month of December, everyone that could, brought an item or two (or three) that was requested. Several members got together to assemble the bags and others joined in for their delivery on the following day. In total we delivered nineteen bags to families who had little else to be thankful for this holiday season. Also included in each bag was a card made by the children's class, a scripture to hang on the wall, and an invitation to join us on any of the days we meet together.

Cross Cultural Christmas Celebration

We wanted to have a special celebration and meal together Sunday, December 23rd. After our regular meeting, we served up a special meal to all who came. The tradition in Honduras is to eat tamales for Christmas dinner, so the Honduran women provided tamales, rice, and pickled veggies. For the US side of things, we chose to roast two large turkeys (which most had never tasted before). For dessert we had Tres Leches cake. After the meal, Kris had planned for the children to make candy cane reindeer. It went over so well that the adults all wanted to make their own as well!
